Subject: Removal Action July 17 Meeting

Mike,

Besides the project managers from CH2M-Hill and Great Lakes and dmi, would EPA like to ask questions of anybody else at this proposed meeting?

I've asked people on my side to pencil in July 17 at 10 AM at the CPG Field Facility in East Rutherford for us to meet. Once you confirm for me that timing is good for EPA, I will send out a formal invitation.
